Principal

Dear students, Parents & Well Wishers

Jupiter's International Academy was founded on 28th March 2011 under auspices of Heritage Educational And Development Society with an aim to provide quality education at grass root level in safe, naturally and stress free environment. We believe in concept "Education is not filling of a pail, but the lighting of a fire". Instead of emphasizing on rote learning we assist our students to turn their potential into reality. Using innovative methods our students explore their academic, sporting and cultural and personal potential. To attain the above mentioned aims school is equipped with all the necessary facilities. It is four storeyed building with splendid infra structural facilities, digital class room, attractive and spacious computer labs, comfortable and colourful furniture, play area for indoor games and vast playground for outdoor games. Here class composition is small so interactive communication and personal attention is available to each child at all the time. Thus it can be said that the school is equipped with all the necessary facilities that is required to impart quality education.

Looking forward for your whole hearted cooperation now & always.

Thanking you

Aims of The School

- To raise pupils performance in literacy, numeracy & manual skills.
- Aim of promoting pupils spiritual, moral, social, cultural & physical growth & preparing pupils for the opportunities, responsibilities & experience of life.
- Our aim is to focus on developing, successful, learners, confident individuals, responsible citizens & effective contributors.
- To foster critical thinking & to encourage logical judgement.
- Above all we aim to provide a loving atmosphere where encouragement are the preferred ways of teaching so that child is imbued with self respect.

Infrastructure

School is having an eye catching infrastructure

- Colourful classrooms
- Computer Lab
- Well stocked library
- Art & craft room
- Play room
- Modern teaching aids & screen educational relevant programmes for the students with smart class (Edu. Comp).
